

Bison Hardwood, LLC

PO Box 329, Arlee, Montana 59821 ~ 72894 Lumpry Road, Arlee, Montana 59821
Phone: 406-726-2008 Fax: 406-726-2007

Job Description

Date: 4/26/23

Subject: Millworker Position

Duties may include, but are not limited to the following:

- Assisting with the operation of wood molding process from start to end, including working with a commercial molder, rip saw, sander, and other equipment.
- Physically able to perform duties required of the position - including lifting continuously throughout a shift. Operating forklift. Training is available, but certified operators are preferred. Must be able to lift 50+ lbs. routinely.
- Ability to follow directions, work well with others, think innovatively, and work in an organized and efficient manner. Have knowledge of or ability to learn hardwood and softwood grading standards. Previous woodworking experience preferred.
- High school diploma, General Education Degree (GED), High School Equivalency Test (HSET), or related work experience. The position requires the ability to read and do basic math routinely.
- This is an entry-level position where the incumbent will receive on-the-job training.
- Potential for growth.
- Knowledge of and ability to use a variety of machinery in millwork production and knowledge of the construction process knowledge preferred.

Competitive wages, starting wage \$15-19/hour, depending on experience.

Weekends off. Seven paid holidays off. After the probationary period, the position includes Employee Health Insurance, Additional PTO, Life Insurance & Short-Term Disability/Long-Term Disability Insurance, and 401K Plan.

To apply please call 406-726-2008 and ask for Chris to schedule an appointment for an interview. Please bring your resume to the interview.
